# RESERVE WINE

**Two Influences on our kitchen primarily drive our wine list. The first is the local influence. The second is the Italian influence. Chef Cori and I were both born and raised here in Santa Cruz County. We grew up in a food family where dinner was a family event every night. Mom always emphasized the freshness of the ingredients and farmer's market visits with my grandmother were a weekly routine.**

**The philosophy of reliance on local ingredients passed down through our family has profoundly shaped our understanding of food. Having this in mind while crafting the wine list, we naturally decided to base it around the fantastic wine produced here locally. What grows together goes together as the old adage goes! Not to mention the wines from this area have garnered international acclaim.**

**The Italian influence on the other hand has developed over our careers. Chef Cori's first prestigious kitchen position was at Michelin Starred Acquerello known for some of the best contemporary Italian cuisine in the world. I myself developed a passion for Italian Wine working for an Italian Wine Bar (Enoteca La Storia) in Los Gatos. As the Italian cuisine heavily influences Chef Cori's food it stands to reason that Italian wine is a good match. Not to mention they have, in my humble opinion, the greatest wine traditions in the world. -Alex Potter**
